Craddock and Mrs. A. G. Tanner, who have been visiting at Ringling, returned home today.

W. A. Ledbetter of Oklahoma City, Louis A. Ledbetter of Idabel and Eugene P. Ledbetter of Okmulgee met here in the city yesterday and spent a quiet afternoon at the Country Club.

STREET STORIES

The civil docket in county court began this morning.

Ollie Anderson who underwent an operation at the Hardy sanitarium several days ago, is reported to be getting along nicely and will soon be on the streets again.

Up to Saturday night there had been marketed from wagons 2,507 bales of cotton at the local market. Cotton buyers are predicting a crop of from 10,000 to 15,000 bales from wagons here this season.

Work on the new federal building is progressing nicely, the brick and stone work is being rapidly put into position, and before bad weather sets in, it is thought that the mechanics will be far enough advanced to begin the interior work.

The county commissioners in the various districts are having the roads dragged and scraped preparatory to the winter rains which can be expected most any time now. The roads throughout the county have been in fairly good condition all the fall.

Mr. and Mrs. J. C. Crosby have returned from Oklahoma City, where they went to attend the meeting of Yeomen deputies and district managers. Hon. Wm. Koch, grand foreman of Des Moines, Ia., was presented and acted as chairman. The meeting was an important one, and was pronounced a success in every respect.

Colonel Sidney Suggs, County Commissioner Tallaferrro, Young and Evans, and County Attorney Hardy left yesterday for Oklahoma City, to attend the annual meeting of the state association of county commissioners. They will also meet the new state highway commissioner and discuss the new highway law with him.

CHURCH RE-
REVIVAL STARTSGOOD CROWDS HEAR FINE DIS-
COURSES BY PASTOR. SPECIAL
MUSIC AND AN AUGMENTED
CHOIR FOR THESE MEETINGS.

The revival meetings began at the First Christian church yesterday. Large crowds attended both services. At the evening worship the house was full. Rev. C. B. James, the singing evangelist, will arrive today and will be in charge of the music tonight. He is an able and interesting leader of congregational singing and his coming to Ardmore will be highly appreciated by all lovers of good music and singing. Rev. D. A. Wickizer, pastor of the First Christian Church, of Norman, Oklahoma, will arrive tomorrow and will assist the local pastor with the preaching. Rev. Wickizer will deliver the sermon Tuesday night. He is regarded as one of the strongest preachers in the state and will no doubt preach a series of very interesting and instructive sermons.

Rev. J. W. Burns, the local pastor, will deliver the sermon tonight. The entire Sunday School of the church will meet on the church lawn between 7 and 7:30 o'clock and march into the church in a body. The services tonight will be in keeping with the Sunday School spirit. Music will be a special feature of the program.

The subject chosen by Rev. Burns last evening was "Man," the text being "What is man that thou art mindful of him?" Isaiah 64:1. The speaker made plain the fact that man is God's chosen creature. That he is much superior to the beast and brute, but that he often forgets that such is the case. Animals move, act and are controlled by instinct, while man is subject to law and has ever been permitted by his creator to move by impulse, unless in conformity to regulation. That man was made a moral, responsible and accountable being from the very beginning. That his right to remain in the garden of Eden was subject to his obedience to God. That death was never sentenced to man until he had broken the law. That the original violator handed down through the generations following the curse of sin and death.

The speaker made plain that the fall of man is not irreparable. That God has provided a way of redemption through his son, Jesus Christ, and that all who will hear the gospel and obey it, shall be saved.

Notice.

The Ladies Aid Society of the South Ardmore Baptist church will meet at the church tomorrow afternoon at three o'clock. Every member is requested to be in attendance and visitors are always welcome.

ARDMORE HAS
SET ANOTHER
PRECEDENTBY RETURNING FUNDS SENT TO
RELIEF OF STRICKEN, WHERE
THEY ARE NOT NEEDED. PRESS
COMMENTS FAVORABLE.

Among the cities to contribute liberally to Ardmore after the recent disaster was Tulsa, but Tulsa, like all others was informed that in the event the funds were not necessary, they would be returned. Thursday Mayor Mullen returned a draft to Mayor Wooden of Tulsa, with the following letter that caused considerable favorable comment in the Tulsa press.

"Honorable F. M. Wooden, mayor, Tulsa, Oklahoma.

My dear Mayor: On the 27th of September our city was visited by an explosion unparalleled in the annals of petroleum, killing many of our citizens and destroying hundreds of thousands of dollars worth of property, and but for the magnanimity of the Santa Fe company and our sister cities' help, we would be many years coming into our own.

Through you and your good and true citizenship we received five hundred and two dollars with the understanding if we could stem the tide it would be returned, and I am enclosing you here with a draft for this amount.

May your good town never have cause to call upon us, but please let me impress upon you that it will meet a ready response from every man, woman and child in this town. Thanking you from the bottom of our hearts we are, we assure you,

Very gratefully yours,
VAL MULLEN, Mayor."

Governor Cruce stated in recommending that all checks and drafts from municipalities not needed, be returned, stated that in so doing Ardmore was establishing a precedent, as it had when it entered into an agreement with the Santa Fe to settle all property loss without litigation, and that the favorable impression made by this attitude was worth much more to Ardmore than the money contributed.

The admirable manner in which the relief work was handled by the committee kept down expenses to actual requirements, and no money was wasted in giving relief during the days immediately following the explosion. The relief committee has the situation well in hand and while they will be compelled to care for many who were deprived of their all by the disaster, they believe that they have sufficient funds available to take care of the situation and therefore are returning all contributions from cities as stated above.

Notice Yeomen.

We will meet in K. of P. Hall Monday night (Nov. 8) at 7:30 p. m., and we urge the presence of all members.

THE PEOPLE'S BUILDING
AND LOAN ASSOCIATION

The steady, healthy growth of the People's Building and Loan Association of Ardmore has made the directors feel the importance of business offices in keeping with the magnitude of the association. Hence the change from the old office at 16 West Main street, to the Guaranty State Bank building. The association moved today to its new location, room three, first floor of the Guaranty State Bank Building, facing on A St., S. W. The new move gives the association per-

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immense effective result.

Take one or two nightly for a week. See how much better you feel and look. 100 and 250 per box. All druggists.

The Olive Tablet Company, Columbus, O.

Ardmore—J. F. Buchanan, who recently installed a model cleaning, dyeing and pressing plant, has engaged Louis J. Kish of New York to take charge of the mechanical part of the business. Mr. Kish learned the business in Germany and has been employed for a number of years in some of the largest department stores in New York City.

The above is taken from the National Cleaners & Dyers Magazine, November Edition.

Yours for service,

J. F. Buchanan

"Not How Cheap, But How Good"

manent quarters, and relieves the association from the necessity of erecting a vault of its own as it is now in close proximity to the vault of the Guaranty State Bank.

The stock of the association is being eagerly sought after by the money men of Ardmore, and from now on the association feels sure that it will have sufficient cash to handle the entire city loan business of Ardmore. What the association calls its investment loan is the most attractive loan offered to the borrowers of Ardmore today, as it is the cheapest money that can be obtained, and is paid back in easy installments.

A building and loan association large enough to meet the demands for loans in Ardmore, has been a long felt want in our city, and now the People's Building & Loan Association promises to meet this demand fully.

Clears Away Pimples

There is one remedy that seldom fails to clear away all pimples, black heads and skin eruptions and that makes the skin soft, clear and healthy.

Any druggist can supply you with zemo, which generally overcomes all skin diseases. Acne, eczema, itch, pimples, rashes, black heads in most cases give way to zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is safe, clean, easy to use and dependable. It costs only 25c; an extra large bottle, \$1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skin.

Zemo, Cleveland.

LISTEN!

Everybody wants to make more money—

Here is an opportunity—

Buy that ten-acre block of ground lying across the road from the southeast corner of Whittington Park, just far enough out to escape city taxes, still practically in town. This is extra fine land for any purposes, and at the price—only \$1000.00—is the best investment anywhere in this section, as this town is growing faster than any town in the state. And I honestly believe this property will be in demand for town lots before two years, when it will sell at least for \$5,000.00. This kind of investment is better than keeping money in the bank as it cannot possibly be lost.
